### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bruce Weintraub on August 5, 2004.

The application has been amended as follows:

- In claim 1, subsection (g), line 1, delete "the sample" and insert therefor --the portion of the sample containing undesired cellular or particulate species--.

In order to clarify the record, it should be noted that after further review of the art, the Examiner decided that the art being considered as the reason for reopening prosecution was not applicable against the instant claims. As such, Applicant's remarks have overcome the previous rejections and the case is being passed to issue.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Monique T. Cole whose telephone number is 571-272-1255. The examiner can normally be reached on Monday-Thursday from 6:30 A.M. to 4:00 P.M.
